see the strange romance that breaks that power forever!

London's sinister water-front dives — eerie happenings in an ancient English country-house—the horrors of an oriental den—the terror of an unseen hand that menaces and destroys.

Romance that fights and survives the awful menace of a human maniac. Love that sends a fresh, cool breeze into the subterranean caves where vengeance works its frightful alchemy.

Dr. Fu Manchu played by the greatest original character actor on the screen—Warner Oland. A pair of lovers that win the deepest sympathy—Jean Arthur and Neil Hamilton. A Scotland Yard detective that fills you with confidence—O. P. Heggie.

The great martial scenes of the prolog—the intriguing Boxer rebellion. Flags of many nations—bands bravely playing as danger stalks abroad. Women and children saved from merciless annihilation by bravery and courage. And the heartrending incident that sends Dr.

"BROADWAY" COMING TO LOCAL SCREEN COST 1 1/2 MILLION TO MAKE

The super-screen version of the celebrated Philip Dunning-George Abbott stage success "Broadway," is to come to the Empress Theatre, Glen Teyton, Evelyn Brent and Myrna Kennedy are featured in the cast. It is an elaborate talking singing and musical picture.

The photodrama was directed by Dr. Paul Fejos, under the supervision of Carl Laemmle, Jr. It was made on an elaborate scale, and is said to have cost \$1,500,000. Much of the action is laid in a night club. This interior is said to be the most striking scene of the year. The decorations and the general arrangement and lighting of this set have set new standards in cinematography.

Against its bizarre and modernistic background, chorus of sixty trained dancers put on a show that has no equal in the most glitzy New York night club of the present or in

### REMARKABLE RESULTS ARE OBTAINED IN BRAIN PARALYSIS CASES BY TREATMENT INTRODUCED AT PONOKA MENTAL HOSPITAL

Edmonton, Jan. 21.—Thirty per cent of all general brain paralysis cases in Canada's mental institutions are today being permanently cured as the result of a remarkable treatment first introduced in the Dominion by the Ponoka "Alberta" Mental Hospital.

Regarding recently as involving almost inevitable death within two years, these cases respond to the new remedy to such a degree that Dr. E. H. Cooke, superintendent of the Ponoka institution, declares that if treatment is applied in the early stages of the disease, 75 per cent of the patient regain normal health.

The records at Ponoka are convincing. Of 114 patients to whom treatment has been given, 43 have been discharged as "greatly improved," being in the majority of cases able to earn their own living and take a normal place in society. In only one instance has a relapse occurred. Of the remainder five have since been deported from Canada, with at least one practically recovered; one escaped from the hospital when almost cured; 25 much benefited but not yet completely well, are undergoing further treatment; 39 have died from the ordinary effects of the paralysis, "or in a few cases, from the remedial inoculation given"; and 10 are now receiving final applications of the remedy.

To Dr. Wagner Von Jauregg, noted Viennese neurologist, goes the credit for giving this remarkable cure to the world. Treatment consists simply in the inoculation of patients with malaria, the development of fever and the subsequent control of the disease by quinine. But the cure is not one which would readily suggest itself. But for scientific observation of accidental results, on the part of Dr. Von Jauregg, the outlook for general brain "paralysis," patients might still be, as it was until recently, 97 per cent. hopeless. For in only 3 to 3.5 per cent. of general paralysis cases were spontaneous remissions of the disease at one time recorded.

The elaborate cabarets of the past. The famous Coconut Grove Orchestra of Los Angeles, under the direction of Gus Arnheim, supplied music for the night club scenes, including both the singing and dancing numbers.

### AGREEMENT IS NOW REACHED ON REPARATIONS

The Hague, Jan. 20.—After more than 24 hours of continuous session the committee on non-German reparations finally solved the conflict between Hungary and Austria and their reparations credits.

The result was a compromise to which every one contributed something, and appeared to be satisfactory to the sleepy and hungry delegates.

Hungary agrees to pay her creditors 13,500,000 gold crowns a year after 1931 until 1935, while Austria pays 1,000,000 gold crowns a year during the same period.

The claims and counter-claims apart from reparations, were settled through two pools to which the big powers contributed, the first amounting to 240,000,000 gold crowns to be applied specially to the claims of the church and the Hapsburgs. This may be increased if

### COMPULSORY WHEAT POOL JUST A "PUDDLE" DECLARES H. W. WOOD

Calgary, Jan. 21.—Two great pools, citizenship and wheat pool, have been created by the United Farmers of Alberta, this year celebrated their 21st birthday as an organization.

The citizenship pool will be called upon within the next 18 months to show its strength in Dominion and provincial elections. The wheat pool is facing great problems, probably more difficult of solution than any faced yet.

These two thoughts were outstanding in the annual address with which President H. W. Wood opened the U. F. A. convention Tuesday morning.

President Wood, in the course of his speech, severely castigated the compulsory legislative wheat pool idea, declaring a "puddle," not a pool would result. He urged that the need of securing co-operation in the world market from U. S. Australian and Argentine wheat growers was paramount.

Mrs. Warr, president of the U. F. W. A., also delivered her annual address.

### EARTHQUAKE CREATES PANIC IN CALIFORNIA

Los Angeles, Jan. 16.—Southern California from the Mojave Desert on the north to San Diego on the south, and from the Pacific Ocean as far inland as Indio and Niland in Coachella Valley, was shaken by brief earthquake shocks at 4:25 and 4:30 p. m. yesterday.

Pomona, Calif., Jan. 16.—Telephones were temporarily put out of commission by two earthquake shocks here late today. Buildings swayed and many residents ran into the streets. The interruption to telephone service lasted only a few minutes, and no other damage was reported.

Los Angeles, Jan. 16.—An earthquake shook Los Angeles at 4:25 p. m. yesterday. It was severe and vibrations continued for more than 30 seconds.

The quake was severe in Hollywood, where shoppers in stores and office workers rushed into the streets. No damage was reported.

necessary to cover the judgments of The Hague court of arbitration.

Hungary, by the agreement, is released from the financial control of the League of Nations.

### FIFTEENTH ANNUAL MEETING OF THE CALGARY PRESBYTERIAN CHURCH

The Army extends a hearty welcome to all.  
Captain N. Belkovich, Commanding Officer.

### FRED WHITE AGAIN A. F. L. PRESIDENT—CALGARIAN RE-ELECTED WITH ELMER ROPER SECRETARY FOR ANOTHER YEAR

Edmonton, Jan. 16.—Re-election by acclamation of Fred White, M. L. A., of Calgary, and Elmer E. Roper of Edmonton, as president and secretary, respectively, featured the closing session here Wednesday afternoon of the 14th annual convention of the Alberta Federation of Labor. The vice-presidents of the federation will be named later by affiliated trade unions.

High tributes were paid to re-elected president and secretary by the delegates in moving that they be again re-elected to office.

### BOYCOTT BY NATIONALISTS OF EAST INDIAN ASSEMBLY

New Delhi, India, Jan. 20.—(Canadian Press Cable, via Reuters.)—Orders of the government of India have been issued in deliberate defiance of his own orders, declared J. V. Patel, president of the legislative assembly of India, at the opening of the assembly today.

Instructions of Sir James Crear, member of the governor-general's legislative council, in effect substituted the authority of the government of India for that of the chairman of the legislative assembly, Mr. Patel continued.

He refused to allow Sir James Crear to speak on the subject, and ordered all galleries except the press gallery to be cleared.

The assembly was but a shadow of its former self. Owing to the decision of the Indian Nationalist congress that its members should boycott the legislative assembly and provincial legislatures, there were only 73 members out of possible 145 present when the session opened.

Mr. Patel said a very serious situation had arisen owing to a difference of opinion between the government of India and the chief commissioner for Delhi on one hand, and himself on the other, over a question of control of admission of visitors to the precincts of the assembly.

### Congratulate Viceroy

Subsequently, Sardar Gulab Singh moved a resolution congratulating the viceroy, Lord Irwin, and Lady Irwin on their miraculous escape "from the recent attempt to blow up the viceroy's train."

In the manner in which Lord Irwin was fighting India's cause, both in India and England.

Sir James Crear, on behalf of the government of India, allowed to speak on anything but the difference between the government and the president of the assembly, endorsed this resolution, and said no effort would be spared to bring the miscreants to justice.

The motion was passed unanimously after Mahmud Yakub, deputy president Pandit Malaviya, and others had expressed horror at the crime. Mr. Patel associated himself with the speeches.

Boycott of the legislatures by Indian Nationalists was part of the program resolved upon by the Indian Nationalist congress at Lahore a few weeks ago. Meanwhile, moderate Indian statesmen and the British government are awaiting the momentous report of the Simon statutory commission on the measure of self government capacity developed in India by the last 10 years of parallel government. A round table conference is expected to be held in London to discuss the report, which is expected in a few weeks.

### KING GEORGE OPENS FIVE POWER NAVAL PARLEYS IN LONDON

London, Jan. 21.—(Can. Press Cable.)—"If each of us is equally determined to make some sacrifice and contribution towards the common good will of the world, we will be making a lasting effort for the alleviation of the heavy load of the common people," said His Majesty King George, in opening the five power naval conference here today.

"I am here with representatives of the five naval powers, who by their deliberations hope to curb the evil results of naval competition," he said. The competition has led to a feeling of uneasiness between nations. Since the great war people of all nations have done everything in their power to prevent a holocaust. One of the strongest columns in the great edifice of peace we are erecting is the elimination or reduction of navies to a point consistent with national security.

### Remove Obstacle

"This has proved a measure of great difficulty. All efforts to advance beyond the point reached at the Washington conference of 1922 have failed.  
"But I believe that you, to whom your government has given this high task, have the noble inspiration and resolve to remove this obstacle from the path of civilized progress."  
"In this hope I shall follow your deliberations with the closest interest."

### Adjourns Till Thursday

London, Jan. 21.—The five-power naval conference adjourned at 1:21 p. m. today to reconvene Thursday morning at 10 o'clock at St. James' Palace, after it had been put formally under way with addresses by the king and representatives of each of the interested powers.

### Japan's Claim

Washington, D.C., Jan. 21.—(Associated Press.)—The claim of Japan to a definite amount of naval tonnage was described by Baron Shidehara, the Japanese foreign minister, to the diet in Tokyo on Tuesday as based upon "the practical necessity of making our defenses secure against foreign invasion."  
"We offer no menace to any nation, we submit to menace from none," he said. "On that fundamental principle, it is our desire to

### ALBERTA'S PROSPECTS FOR GREAT EXPANSION LIVE STOCK INDUSTRY

Edmonton, Jan. 10.—That a better system of farming is needed, one that will bring greater returns per farm and profits more commensurate with the effort and skill applied; that the west, particularly Alberta, holds the greatest possibilities for expansion of the livestock industry; that the winners of Alberta at the Royal and International Fairs have had publicity value beyond the estimate of many, were statements made Thursday night when 300 people sat down to the annual banquet of the four provincial livestock organizations now in convention in Edmonton.

Premier J. E. Brownlee made the reference to farming and the honors won, while F. M. Baker, western representative of the Canadian Meat Packers Council, disclosed why the packers are directing their eyes upon this province with its extensive agriculture resources when contrasted with other provinces that have practically reached the peak of livestock production.

H. A. Craig, deputy minister, was chairman, and he declared it most encouraging to see such interest in the problems of livestock improvement displayed, as was being shown by the conventions, especially at a time when he thought encouragement was badly needed. The life shown by the various livestock bodies effectually disposed of proposals heard three years ago that all the provincial bodies should be amalgamated.

### Elect Officers

At a meeting of the directorate of the Provincial Sheep Breeders' association held on Thursday evening F. R. Haythorne, of Strathcona, was re-elected president, Donald McLeod of Lake Isle, first vice-president, and Prof. J. E. Bowstead, second vice-president. T. M. Reed, of Strathcona, and J. B. Nixon of Dunstable were elected from the new directorate of twelve for the executive board. Miss E. L. Holmes was named secretary once more.

The special committee named to investigate during 1930 the feasibility of a provincial wool pool to replace the present system of association marketing through the co-operative growers in Toronto and collecting at central depots under three-year growers' contracts was appointed. Donald McLeod, J. B. Nixon, N. J. Shopland and F. R. Haythorne were named.

secure naval arrangement satisfactory to all the parties concerned."

The speech, made public through the Japanese embassy here, pointed to the Washington conference as having opened a new chapter in human progress and looked forward to the London parley with the expectancy of seeing "the same measure of achievement to result" from it.

"It ought to be possible for all nations concerned uniformly to reduce their respective naval strengths to a certain extent and so to relieve the burden of their peoples without involving for any single nation any sacrifice in the integrity of its national defence," Baron Shidehara said.

### TRIAL FLIGHTS WILL DECIDE ROUTE OF AIR MAIL OVER ROCKIES

Calgary, Alta., Jan. 18.—Lack of hangar facilities in Regina and Moose Jaw may hold up the inauguration of the prairie air mail service for another month, although, according to Squadron Leader J. H. Tudhope, M.C., superintendent of airways in Canada, the department of national defense will have everything ready by the end of January. Supplying hangar space for their mail planes along the route is part of the work of the Western Canada Airways, which company was awarded the contract last fall. Squadron Leader Tudhope said over long distance telephone from High River air station on Saturday.

Decide Mountain Route  
Asked about a route by air to the Pacific coast, Squadron Leader Tudhope said that was one of the reasons he was in the west. He was planning to fly over the three proposed routes with Capt. A. Leitch, commander of the High River air station, some time in the near future.

Weather conditions are too extreme to make the trips in an open plane, and at present a suitable cabin plane is not available. Squadron Leader Tudhope said. He had intended flying to High River from Winnipeg with an airplane that could be used to scale the mountains, but at the last minute found it impossible.

"We hope to get the majority of the surveying that is possible from the ground completed toward the end of February and expect by that time to have a ship with which we can make the mountain flights," he said. The three routes being considered are west from Edmonton over the Yellowhead Pass; from Calgary through the Kicking Horse Pass, and from Lethbridge west over the Crow's Nest Pass. It is hoped to have reports covering the three routes prepared in April.

### SHOPPING IN SHOES

Miss 1929 entered the shoe store. "I see by your catalogue," she said, "that you have just received 2000 pairs of the latest ladies' shoes."  
"Yes, madam."  
"Good. I will try them on!"—Philadelphia Inquirer.

The chief danger is that everybody will stop spending to prove that he lost a fortune in Wall street.

Synonyms: Words having the same meaning, like "cheerful loser" and "cheerful liar."

### ALBERTA LOOKS AHEAD TO NEW ERA PROGRESS—PREMIER BROWNLEE ADDRESSES U. F. A. AT ANNUAL CONVENTION IN CALGARY

Calgary, Jan. 21.—(Can. Press.)—Alberta is looking ahead to a new decade of progress said Premier J. E. Brownlee today at the opening session of the second annual convention of the United Farmers of Alberta. Four hundred delegates were present for the start of the meeting, and their number was expected to exceed 500 before the close of the first day.

Advances in transportation, marketing organization and public health have marked the past ten years, Mr. Brownlee stated. With the province expending \$2,000 or \$3,000 daily for unemployment relief, Mr. Brownlee considered it advisable to consider the general situation over a decade past rather than during a difficult year immediately gone. "We have no fear for the future," he said in testimony to the era of progress ahead for Alberta.

In his opening address, Lieut.-Governor W. Herbert commented on the achievement of the Canadian wheat pool in attracting attention of the world by its co-operative marketing success. He complimented the government of Alberta on the sale of its railways and the recovery of its natural resources. Mayor A. Davidson, Calgary, offered greetings to the delegates.

### BREAKS COFFIN, BOLTS FROM CEMETERY AS BURIAL ABOUT TO TAKE PLACE

Quebec, Quebec, Jan. 20.—A funeral party here was thrown into panic when Jose Lozano "came to life, broke his coffin and dashed out of the cemetery as he was about to be buried." His friends scattered in all directions, hurrying over tombstones in their haste.

Lozano had suffered a cataleptic spell and had been pronounced dead.

Another nice thing about checkers is that nobody is broadcasting the game when you want dance music.

### COMING EVENTS FORESHADOWED

The Ladies of Christ Church will hold a Card Party and Dance in the Parish Hall, Friday, January 31st. Admission 50c. Cards commencing at 8:15. Good eats. Good music. 47-2t

Circulated in a prosperous town of 1,700 population and in adjacent prosperous farming district.

THURSDAY, JAN. 23rd, 1930

### PERSONAL BUDGETS

During the first weeks of this new year business men have been perfecting their business budgets for 1930.

That does not mean the budgeting of finance alone. There is no definite limit to what our future income may be. But there is a definite limit to what our years shall be and to how long our abilities shall last.

What people should budget for 1930 is not only their money, but first and foremost, their TIME and ENERGY.

What work should we consider most important in budgeting our time?

There are two kinds of expenditures. One form is money spent for pleasure which is ultimately exhausted. The other form is money spent on projects that continue forever to pile up profits. The latter are "repeat" investments.

Our time should be spent in "repeat" investments, rather than in those pursuits that bear no lasting fruit.

The present adult generation controls the welfare of the world right now. But the welfare of the world in all years to come is in the hands of the children who follow this generation.

Therefore, to make a real "repeat" investment of our time, the first call on our attention is towards the training of our children.

What we have learned cannot be transmitted by the operation of heredity. It is unfair, foolish and extravagant that our children should have to learn those things all over again in the fabled "school of experience."

But our children cannot be taught what we have learned, cannot learn to build their progress and the progress of the world on the little we have accomplished, unless we of this adult generation make their education our first and most important business.

In budgeting your time for 1930, let your first item be the expenditure of more time and energy on your children.

### RIGHTS-OF-WAY FOR AIR TRAVEL

W. B. Mayo, air engineer, suggests companies that operate air lines secure rights-of-way along their routes, as railroads had to. The rights-of-way would be a mile wide, but difficult to keep on in storms and fog.

Technically, an airplane that flies above your property is a trespasser. Your rights are presumed to go to the earth's centre, one way, and to well, as far as you like the other.

With ships dropping out of the clouds every day, it would seem that a property owner has the right to forbid flying over his land or home, under the reasonable plea of self-protection.

Some day the thing will have to be fought out in the courts.

The Mayo suggestion might solve the problem. The route could be laid out over territory where a wreck would be unlikely to kill anyone or damage property.

Life is hazardous enough as it is. The law owes it to every citizen to construct what safeguards it may. It should, as a first step, at least limit aerial routes to areas in which crashing planes may do the least damage to innocent persons.

### THE MENACE OF CHECKERS

The city of La Crosse, in Wisconsin, seems to be somewhat like the city of Lynn, Mass.; that is, it evidently has a mayor who is fond of making unusual and peculiar rules for the guidance of his fellow citizens.

Lynn's mayor, as was recently recorded, passed all kinds of edicts regarding the length of women's skirts and the like.

Now the mayor of La Crosse—if press despatches are to be believed—announces that checkers must not be played in public places. He has been nourishing a campaign against gambling, and he says that checkers is potentially as bad as a game of craps. Hence—no more checkers in public.

This is the first time we have heard that the playing of checkers could be an evil and immoral pastime. The people of La Crosse now know just how the people of Lynn have been feeling.

### STAVELY BEATS MACLEOD 6-3

Stavely visited Macleod Tuesday night in a Footbills League contest and romped home with the bacon by a score of 6-3. The local puck chasers started out at a fast clip and not until well on in the second

This advertisement is not published or displayed by the Alberta Liquor Control Board or by the Government of the Province of Alberta

period did the visitors show up. The locals pitched the opening counter in the first period and added a couple more early in the second.

Stavely came to life however and before the Jubilee City boys knew what was happening the score was tied three-all. The locals were held scoreless in the final frame while the visiting crew ran in three more goals. The game was handled by Haynes of Stavely. The teams fielded their usual line-ups with the

exception of Dowson who was not able to play for the local squad last evening.

When the modernistic artist draws a cow that resembles a goods box, he isn't trying to be queer. That's the way a cow looks to him.

You don't realize how mad a man can get until you discover a reformer's pet faults and piously urge him to mend his ways.

### HEALTH SERVICE OF THE CANADIAN MEDICAL ASSOCIATION—POWER

Power is a word which we frequently use. Mechanical or electrical power is now constantly in use, so much so, in fact, that we do not give much thought to the conveniences and comforts brought to us by application of power. Certain individuals are admired, envied, or feared because of their power, and, among them, are those who properly use such power and, unfortunately, those who abuse it. In many ways, personal power represents success because the individual who has gone ahead and reached the peak in his particular line of work has generally attained to power in that field.

In any and every type of work, we are helped to success if we possess physical and mental health. No individual is able to do his best work unless he has health. He may do good work, his achievements may be well above the average, he may even excel, but unless he has health, he cannot attain his full measure of success. If he has not health, he has not developed his capacities to the full, and, unless these capacities are fully developed, he has not reached the peak of efficiency.

Work, play, rest and sleep in moderation are all necessary. Overwork to the point of fatigue, overplay resulting in undue strain, lack of rest and sleep which the body requires in order to regain and store up energy—any one or all of these may result in stress and strain which lower physical and mental efficiency and so decrease personal power. The individual who is apparently defying the law of moderation with impunity suffers in loss of personal power, although this may not be immediately apparent, and the day will come when he must pay the penalty in an obvious way.

In order to do our best work, in order to enjoy our play, in order to live happy lives, we should not lose sight of the fact that work, play and rest all have their time and place, and that they should all be taken in moderation. The long grind is a mistake. Better work results if its progress is broken by periods of relaxation either at play or at rest. Questions concerning health, addressed to the Canadian Medical Association, 184 College Street, Toronto, will be answered personally by letter.

### NEW RED CROSS UNIT

Beautiful for situation is the new Junior Red Cross Unit at the University Hospital in Edmonton. As if by magic this fine new building has appeared and where there were but grassy places a few months ago now you see a splendid building on which the sign of the Red Cross proclaims to all the world that the Society is still "carrying on" her great work of caring for the sick and crippled children.

The visitor is greatly impressed with the fine appearance of this new unit from the outside, where wide verandahs will offer to the little patients their best chance of cure in the bright and beautiful sunshine of Alberta "When summer comes." As soon as the great weather blesses the country, the little sick ones like the flowers of the field will blossom forth on the sunny side of those splendid sun-porches, absorbing the health laden air that blows to them over wide woodlands and broad river.

The wards are large, airy and commodiously planned. Boys ward, girls ward, and cot ward and nursery. Easy indeed is it for the nurses to give the acme of attention to their cases when all has been so admirably planned with a view to nursing care and to the daily school which is carried on for those of school age. The large and modern furnished kitchen with its many devices for efficient house-keeping commends itself to the eye of every housewife. Service rooms and a Quartz Light room make treatments a simple matter.

The ventilating system of the hospital is also the last word and no matter what the temperature outside, there is always warm fresh air entering this wonderful little hospital. Bright tints on the walls with smocks of color here and there in the stencilled figures, present an attractive appearance. New beds and cosy cots with tiny little first sizes for babies, are filled with happy Peters and Wendies all getting better in the New Red Cross Unit.

### CORRESPONDENCE

Seemly discussion of matters of public interest is invited under the above heading. As an earnest of good faith and to insure publication, all communications to the editor must be signed by the contributor (nom de plume signature for publication if so desired). The editor of The Times is not responsible for opinions expressed or statements made under above heading; neither does he necessarily endorse or concur such opinions or statements.

### IMPORTS ARE PAID FOR BY EXPORTS

Dear Editor:  
Sometime ago R. H. Webb, Mayor of Winnipeg, made the statement that Canadian people were unpatriotic because they purchased so much abroad instead of buying at home. He also alleged that unemployment in Canada would decrease if imports were curtailed.

The exact opposite is the case—a decrease in imports would reduce employment. There is always less unemployment when imports are heavy than when imports decline. This is so certain that the temporary exceptions serve only to prove the rule. Patriotism is shown therefore by buying always where we can secure the best values. No other rule of conduct applies.

The whole subject is very interesting. I have written a little booklet on the question and will be glad to send any readers of this paper a copy free of charge. There is of course no obligation attached to this. Simply send a post card addressed to R. J. Deachman, Box 844, Ottawa and I will be glad to send you a copy.

# ALBERTA BREWERY PRODUCTS

## GRANUM LOCAL NEWS

Mr. and Mrs. J. Russell were Macleod business visitors Friday.

Mr. and Mrs. C. G. Marsh were Calgary visitors last week-end.

J. McKenzie and daughter Katherine were Macleod visitors last Saturday.

Mr. McDermitt, who has been visiting in Missoula returned home last Thursday.

Harry Hobert and wife spent a few days at Ogden as the guests of Mr. M. Grobe.

Mr. and Mrs. D. M. Leyden are Calgary visitors this week, taking in the Shriners Ball.

Mr. and Mrs. S. C. Simonson had as their dinner guests on Sunday Mr. and Mrs. Nelson and Mr. and Mrs. Jorgeson.

Don't forget the Bridge Drive and Dance to be given by the U. F. W. A. in Reynolds' Hall Monday, Jan. 27th, beginning at 8:30.

Miss Craft, who has been the guest of Mr. and Mrs. F. Empey for the past three weeks, has returned to her home in Lethbridge.

The third series of The Women's Institute Bridge Drives will be held in Reynolds' Hall on Friday, Jan. 31st. Everyone should join in and make this a real success.

J. H. Bland, of Berthold, N. D., is a guest at the home of his daughter, Mrs. J. Reynolds. Mr. Bland sees great improvement in the district since his visit three years ago.

Sherman & Marsh consummated one of the biggest land deals put through in the Granum District for many years on Tuesday of this week when they sold the E. H. Ait farm, the Dersch Estate farm and the Clifton Estate farm to The Hutterite Colony, south of Macleod for a consideration approximating \$75,000.00.

There are about two hundred of our friends in the Granum district who have been receiving The Granum Times free for about 18 months. That's that. How about dropping in at Reynolds' Palace and paying Mrs. D. D. Reynolds (our agent) for The Granum Times for the next year — no charges up to date. What? Thank you.

At the meeting of the Young Peoples' Society on Monday next at 7:30 p. m. there will be a debate on the subject — "That Chinese and Japanese Immigrants Should be Excluded from Canada." The affirmative will be taken by Miss Davis and Claude Marsh, and the Negative by Miss Mae Henker and Mr. Mair. Miss Mary Dimm and Miss Freda Sherman will sing and the debate will be under the Chairmanship of Miss Tryphena Hill. Remember the Y. P. S. each Monday at 7:30 o'clock.

The Trail Rangers went to Macleod to play last Saturday afternoon, and met a team which was composed of members of the Macleod Taxis, Trail Rangers and Junior Hockey players. A stubborn game ensued in which honors were even as far as goals go, 1-1 being the score. There was a little too much kicking the puck and some tripping due to the leniency of the referee. Otherwise it was a good fast game. The lighter Granum team showed more finish in stickhandling and skating, but Macleod showed one or two men who were very fast and cool. The Granum lineup follows: Goal—C. Field, Defense—Anderson and Ait, Centre—W. Field, Wings, Herman and Russell, Subs—Cochlin, Basil and Herman Rompain.

The United Ladies' Aid held their meeting for the election of officers for the current year, on Thursday last, Jan. 16th, in Reynolds' Hall. Mrs. J. Ellis was hostess for the occasion, and showed her usual capability in that role. There was a large attendance and everyone fully enjoyed the meeting. After the business session, Mrs. W. A. Blair, who has held the office of President for the past four years, tendered her resignation which was accepted with much regret, since her tenure of office has been marked by phenomenal success. Mrs. Ellis was called to the Chair for the election, and the following were duly elected for this year: President—Mrs. James Blair, Vice-President—Mrs. R. P. Smith, Secretary—Mrs. A. S. Peebles, Treasurer—Mrs. R. W. Jell.

The Society went on record as expressing great appreciation of the efforts of the officers during the past year, and especially concerning Mrs. W. A. Blair's leadership. Mrs. Gossion and Mrs. Rowe contributed musical numbers, which were well received. And Mrs. Ellis, assisted by Mrs. Easton, Mrs. Jas. Blair, and Mrs. Wells, served a variety of delightful refreshments.

In a fast game of hockey on Granum ice the local boys took Carmanray to the score of 8 to 5. The Carmanray boys showed great improvement over the last game, but even so could not overcome the combination and stick handling put up by the home bunch. Lineup: Carmanray—Oatts, Hubka, Moore, Henson, Miller, Palmer, Hicks, Neilson, Granum—Tovey, Wolfe, Reynolds, A. Marsh, E. Marsh, D. McKenzie, Leyden. Referee—Russell, of Granum.

Monday night was a real Old Timers night when about a hundred members gathered at Reynolds' Hall. Cards were played until ten o'clock, then dancing continued until twelve, when supper was served, after which community singing was indulged in. The Hobert Brothers favored the Club with a step dance, also J. Prindle of Palouse, and five brothers, James of Portland; Bart of Burns, Oregon; Homer of Rosalia; Alvin of Nampa, Idaho; Walter of Palouse. W. A. Siler, the deceased's father, died on January 11, 1930. Frank Siler had been in the employ of W.

inces. Dancing was then enjoyed till 4 o'clock.

Mr. and Mrs. S. Marlette entertained at whist Friday evening. The ladies first prize going to Mrs. Kern and the consolation to Mrs. Hobart. The gentleman's first prize went to F. Kellicut, with the consolation to Mr. Rompain. The guests were: Mr. and Mrs. H. Dimm, Mr. and Mrs. Simonson, Mr. and Mrs. M. A. Hobart, Mr. and Mrs. Kern, Mr. and Mrs. F. Kellicut, Mr. and Mrs. Rompain, Mr. and Mrs. Parole, Mr. and Mrs. Smith, and L. Kellcut. Miss E. Marlette and Mrs. M. Smith assisted the hostess in serving lunch at mid-night.

Many Granum people will regret to hear that Frank Siler died at his home at Palouse, Washington, on January 2nd. Deceased went south early in the winter to visit his parents in Washington. While there he took pneumonia, with fatal results. Funeral services were held from the Christian church at Palouse. They were conducted by Rev. John D. Abel, under the auspices of the local Odd Fellows lodge. He was buried in the Freece cemetery. He is survived by his mother Mrs. W. A. Siler, a sister, Mrs. Nora Prindle of Palouse, and five brothers, James of Portland; Bart of Burns, Oregon; Homer of Rosalia; Alvin of Nampa, Idaho; Walter of Palouse. W. A. Siler, the deceased's father, died on January 11, 1930. Frank Siler had been in the employ of W.

R. Goff for a year and with D. A. Laughton for 2 years.

The Young Peoples' Society held a banquet in the Church Hall on Monday last at 6:30 o'clock with about fifty in attendance. High spots of the "Eats" were chicken and a delectable variety of pies. The tables had been tastefully decorated by the young ladies. A committee consisting of the Executive of the Society along with a Banquet Committee headed by H. H. Wolfe were responsible for arrangements. For the programme the Toastmaster was Miss Mary Smith, president of the Y. P. S. and she carried off the honors in pleasing style. The programme was as follows: Toast—"The King"—Mary Smith, "God Save the King" sung by all; "Canada"—Miss Mae Henker, "O Canada" sung by all, led by Mae Henker; "The Ladies"—H. H. Wolfe, Response—Miss Emma Lantinga; "Granum"—Claude Marsh, Response by Mr. W. B. Rogers; "Our School"—Toastmaster, Response by Principal Russell; "World Peace"—Amiel Herman; "The Church"—Fenton Blair, Response by Mr. Rowe. Mr. Herbert Janney contributed violin solos, and there were sessions of hearty community singing led by the Minister. The programme closed after cheers for the President, and for the ladies who prepared the menu. Mrs. W. A. Blair was a leader in this and she was assisted ably by Mrs. McGregor, Mrs. J. Dimm and Mrs. A. S. Peebles.

## There is No Limit to the Usefulness of this Durable McCormick-Deering Engine

Let us show you how this economical McCormick-Deering Engine will take care of a number of irksome chores that must be done. The many uses to which the sturdy McCormick-Deering Engine can be put suggest themselves the moment you see it.

McCormick-Deering Engines are made to supply cheap, reliable power over a long period of years. High quality materials, and high standards of workmanship make McCormick-Deering Engines durable, thrifty, and dependable. They have many exclusive features in design. Come in and see these fine engines. We will gladly show you how well and often one of them will serve your particular power plant needs.

# The New Year

Our Financial Year ends on January 31st. It is most important that we pay what we owe the bank and the wholesalers before that date. We can do this only if you pay us. The accommodation we can extend you during the coming year depends upon your paying us, because we must look to the bank and the wholesalers to finance us if we finance you, and we must clean up with them in order to get the accommodation. So there you are!

# THE WHITE HALL

## Macleod Local and Personal News

J. Dillingham left for Calgary on Tuesday of this week on business.

J. F. Canning left on Tuesday to spend a month holidaying at Victoria, B. C.

Mr. and Mrs. W. Ulrich, of Champion, were guests of their daughter, Mrs. J. Dillingham, on Tuesday of this week.

Mrs. (Rev.) J. F. Knight attended the executive meeting of the Lethbridge W. M. S. Presbytery held in Lethbridge last week.

Messrs. Walters and Chetter, of the Stand Off Hutterite Colony, went to Calgary on Tuesday to attend the U. F. A. Convention.

W. H. Shield, M. L. A., Macleod is being held in that city this week.

Hugh Mackintosh is in Calgary this week attending the Provincial Seed Fair which is being held in that city, at the same time as the U. F. A. Convention.

Jarvis Currie who has been in charge of the McNay Drug Store for the past few months during Mr. McNay's illness, was a business visitor to Lethbridge over the week-end.

Macleod aspirants for honors at Calgary Bonspiel left for the scene of action on Monday, and the rink from here is composed of: J. O. Stewart, skip; G. E. Stewart, 3rd; O. G. Stewart, 2nd; Claude Tweed, lead.

The Rev. Alex Ferguson, of St. Andrew's Church, Macleod, left for Lethbridge on Wednesday to conduct the funeral services for the late Hannah Kelley, only son of the Rev. and Mrs. W. E. Kelley, of St. Andrew's Church, Lethbridge, who died suddenly on Sunday morning at the University of Alberta, Edmonton.

This is the time of year with The Macleod Times when subscription accounts are extremely acceptable—look at your label—perhaps you are in arrears. Subscribers paying up subscription arrears at The Times Office within the next ten days will be allowed a discount of 25%, which is about what it would cost us to call on subscribers personally for settlement, and which we will be obliged to do in circumstances where

subscription arrears are not paid at The Times Office within the next ten days.

Mr. and Mrs. J. Swinerton were visitors in Lethbridge last week-end and registered at the Dallas Hotel.

Harold Henker, of Granum, has taken a position in the Drug Store of R. D. McNay, Macleod, with a view to learning the Drug business.

Mrs. T. B. Martin and daughter Gwendolyn, of Macleod, sailed on Friday from Halifax for Bermuda and Jamaica where they will holiday for about two months.

H. W. Bright, of Macleod, left on Tuesday morning for Calgary to attend Executive meetings of the Provincial Municipal Association of which he is Vice President.

Mrs. (Dr.) Alan Kennedy and young daughter left last week for Toronto where Miss Kennedy is attending school. Before returning Mrs. Kennedy will spend a few weeks with her mother in Toronto.

Mrs. Rev. Knight, of Macleod, is in Calgary this week attending the executive meetings of the Alberta W. C. T. U. and U. F. W. A. that there may be the most complete co-operation between the two organizations in any Provincial activities involving both societies and the women of Alberta generally.

W. T. Fleming, D.D.G.M., of the Oddfellows Lodge, District No. 7, and Mrs. Ruth Whitworth, D.D.G.P., of the Rebekah Lodge, District No. 14 went to Clearholm on Monday evening for a joint installation of officers of the Clearholm I.O.O.F. Lodge and Rebekah Lodge. They were accompanied by Mrs. E. J. Gardiner, P.G., W. Whitworth, P.G. and Fred Le Blond, N.G., of the Macleod Lodge.

## ANNUAL MEETING MACLEOD WOMEN'S INSTITUTE

The annual meeting of the Macleod Women's Institute was held in the Parish Hall, January 21st. The following officers were elected for the coming year:

President—Mrs. O. F. Fanstet.  
1st Vice Pres.—Mrs. E. Greenwood.  
2nd Vice Pres.—Mrs. R. J. E. Gardiner.

Sec.-Treas.—Mrs. Perry.  
Directors—Mrs. H. S. Bailey, Mrs. Armer, Mrs. Richardson, Mrs. Ryan, Conveners of the Standing Committees:

Child Welfare and Public Health—Mrs. Wintermute.  
Education and Better Schools—Mrs. Gardiner.  
Legislation—Mrs. Greenwood.  
Household Economics—Mrs. Armer.

Immigration—Mrs. Adams.  
Canadianization and National Events—Mrs. Ryan.  
Agriculture—Mrs. A. Grier.  
Canadian Industries—Mrs. Donohue.

Opportunity knocks but once. That subsequent knocking you hear is done by your friends.

## CHRIST CHURCH (ANGLICAN) ANNUAL CONGREGATIONAL MEETING

The annual congregational meeting of the parish of Christ Church, Macleod, was held in the parish hall on Thursday evening of last week, with a very satisfactory attendance considering weather conditions.

The rector, the Rev. F. Randall Powell, was in the chair, supported on either side by the wardens, W. V. Price and H. W. Bright.

After devotional exercises, the rector rose, as he said, to give an account of his stewardship, take a review of the work of the past year and then ask for the setting out of the work for 1930.

In his review he spoke of the many events which had transpired during the last twelve months, remembering the sick ones of the parish, specially mentioning the fact that a member of the Vestry, A. T. Leather, was now at Rochester for surgical treatment. Mention was made of those who had passed away to the higher service during the year. In concentrating upon the achievements of all the departments of the church, the rector spoke in the most appreciative manner of all who had served in all the offices with determination to make the year a success, and proposed a hearty vote of thanks to everyone in office and the host of workers who had so magnificently given of their best.

Mr. Bright, the people's warden, then gave the treasurer's report which showed that the finances of the Vestry were in a healthy condition.

Mrs. A. Brown read the Women's Auxiliary financial report, and also in the absence of the secretary, Mrs. Hillier, through sickness, read the secretary's report, which drew forth

We wish to announce that we have installed complete equipment for automobile body and fender repairing, and Duo finishing. First class work guaranteed.

**THOMAS A. QUICK**

Macleod

special praise for the fine showing of their work, the large amount which had been raised by their efforts.

The junior W. A. report was read by Mrs. Dowson and the Sunday school was spoken to by the rector. It was pleasing to note that every department of the church was in the proud position of being able to start the year 1930 with a considerable bank balance.

### New Vestry

The new Vestry which was appointed, are: W. V. Price, rector's warden; H. W. Bright, people's warden; C. A. Mercer, E. F. Brown, G. Pearson, W. R. Brooks, A. W. Bawden, W. Armer, W. Davis, E. W. Buckwell, S. Heap, A. T. Leather, P. Longley and F. Thewlis.

A discussion took place regarding the work for 1930, many of those present voicing plans which would be effective in meeting all demands for the general upkeep of the church and her institutions and with the view of developing and increasing her resources.

What was pronounced by all as a most interesting meeting was closed by the benediction by the rector.

### TOWN COUNCIL REDUCES LIGHT AND POWER RATE

Good news for the citizens of Macleod is recorded in the minutes of the Council meeting held on Monday evening, when the Mayor and Council decided to reduce the rates for electric light and power two cents per k.w. Mayor J. W. McDonald, K. C., presided and the Councilors present were Messrs. McLeod, Stevens, Hoodless, Swinerton and Day.

The motion passed with regard to the electric light was as follows: "That the electric light be reduced to the following rates as from Feb. 1st, the 10 per cent discount to remain: Light 1-75 k.w. 12c, 76-150 k.w. 11c, 151-up 10c. Power, 1-200 k.w. 7c, 201-400 k.w. 6c, 401 up 5c. Only a few years ago the light rate was 18c k.w. and the present reduction is another proof of the sound financial position of the town and the wise and excellent service which the Mayor and Council are giving to town affairs.

A motion was passed that A. T. Leather be given transfer of lot 7, south of 29th E. balance owing on purchase price be written off on production of quit claim. That R. Gillespie be given lot 6 north of 17th Street for \$1.00 he to pay cost of transfer. That John Pascal be given lot 25 south 10th Street for \$1.00 he to pay cost of transfer.

The monthly accounts as accepted by the finance committee were passed for payment. The monthly grants for the Holy Cross and Public Schools were also passed for payment.

The by-laws for Returning Officer and Assessor were both put through the final stages and passed.

## MACLEOD PRESBYTERIAN CHURCH ANNUAL MEETING

There was a good attendance considering the weather at the annual meeting of St. Andrew's Presbyterian church on Wednesday evening of last week.

The Rev. Alex. Ferguson, M.A., minister of the congregation, opened the meeting with devotional exercises, after which J. D. Matheson, K.C., chairman of the Board of Managers took the chair and conducted the meeting, and Mrs. Ray Baker, secretary-treasurer of the church, acted as secretary. Splendid reports were presented from the different organizations, given by the individual secretaries and treasurers. Special mention is made of the splendid work done by the Ladies' Aid and the remarkable amount of money raised by the ladies during the year. They show a large balance in the bank. Notable also was the reports of the W. M. S., the C. G. I. T., the Y. P. S., and the Sunday School all of which showed good progress during the year. The report of the session was not given on account of the absence of the clerk of Session, Mr. Mackintosh.

The retiring four managers, Messrs. J. D. Matheson, K. C., H. C. Winter, Wm. Currie and R. J. E. Gardiner were all re-elected for a term of two years.

At the close of the meeting the ladies served refreshments and a pleasant half-hour was spent over the tea cups.

### CURLING NEWS

The Curlers, of Macleod, are having the time of their lives this year, night after night the old building resounds with the joyous shouts of "Scop-her-up." The ice never was in better condition, first class play and some remarkable scores have been chalked up, showing how close and keenly fought the games had been. Of course there has been exceptions and some, even of the old skips, have had big scores chalked up against them. Dr. Kennedy after some stiff tussles, carried off the Silver Jugs in the Distributor's competition, with Claude Tweed taking second place.

The T. Eaton competition is in the four and will finish it is expected on Thursday. In the Burns competition, which is a "knock out" competition, most of the rinks have several games yet to play, so far Orval Stewart's rink is leading with 7 wins and 2 losses with 4 more games to play.

The big competition which undoubtedly will be the keenest contest is the Hobblerlin competition. The "House of Hobblerlin" Tailoring Firm of Toronto, is offering through their representative in Macleod, J. W. Morehead, 4 Overcoats valued at \$32.50 each as the first prizes in their competition. Needless to say their will be some hard fought battles in the endeavour to win such valuable prizes. The draws will be made for play to commence on Thursday. The Shaw Cup has also to be played for, it being the last competition and is a sort of consolation for rinks which have not won prizes in any other competition, valuable prizes is also offered along with the Cup.

## Pasteurization

—is the process of heating milk to 142 degrees F. and holding it at that temperature for at least 30 minutes, and then cooling it quickly to below 50 degrees F. This process does not in any way injure the food value of the milk but kills the dangerous bacteria and makes "SAFE MILK."

**CHOW SAM --- Proprietor**

Our line of business differs in many ways from most other kinds of business. Many of the things we handle have to be paid for at the time we receive them or very soon afterwards.

It isn't that our credit isn't good, but it has been the custom for years for the gasoline manufacturer to collect for gas and oil when he makes delivery. The car manufacturer does the same thing with spare parts and many accessory houses bill us for their goods 10 days or so after shipment. The tire manufacturer looks for his money not later than the 10th of the month following our purchase of his tires. So, it figures out that most of the goods we sell to our customers on a charge account are already paid for by us or have to be within a few days after the sale. You can see how that ties up a lot of our money. It is by selling at low prices, giving our customers good service and by collecting promptly that we make our small profit. Many thanks.
